contribution contribution this is poetry: get to the end of the page, get to the end of the page -
or what i really meant was “Get to the other side” so im getting to the other side getting there
HERE

is it?

is it poetry?

IS IT?

is it is it is it is

sime-ul-tane-e-ous-leeeeee

what is a moep?

this is a poem.

said the trees. record - it wokrs!!

!!! i didnt get it in the beginining

what is hot yoda? mah b, typo.

no worries. yoda had super alternative diction. he was an experimental poet, fo sho.

imagine if yoga were in this class.

he’d probs sit at the head of the table.

] the bags under my eyes carry many things - pockets, magnets, left overs from dinner last
night, mary poppin’s lamp, and a puppy with 3 tails

yo, duh.

said the trees.

you’re **sensation**al

shrieked the trees.

sensational

the trees, muttering: calm down yo!
that's all
trees sprout leaves like children, destined to crumple and fall.
connections are everywhere, like babies.
rabbits have so many babies. It's whack, yo.
st. patty's day- BYO RABBIT FOOT. HAHA
that's all, trees.
lorax. no treeeeez.
did he say carcoolage? or something like that

we would be a youtube **SENSATION!!!!!!!**
much better than Rebecca Black - lolzies

mistle toe

kiss!

my mistle toes are poking through woolen socks.
are mistle toes mistles on your feet?

missiles

war

the missile toes explodes with kisses and noel.

mistles grow between your toes.
between trees and their woolen feet.

the new lorax movie is bullshit. i am boycotting it.
i had to look up the definition of a preposition.... #leggo penn student
I already have add
this is soooooo distracting
said the trees.
^^amen to that, tree sistah (or brother tree!)
SQUIRRELL
i got asalted by a pretzel over break
if tree were a verb, what would it mean?
I will tree you. (yikes) (be gentle about it)
I tree you tree we all tree *in my squidward voice*
I have long been treeing you
see what i did there...way up there
how do you say "to spoon" in spanish? cucharar?
sorry annie =(im listening (me too(!,))) said the trees.

saw an electrical converter at the Best Buy recently, but it had this disclaimer: 'This will work; however, if the voltages at the outlet differ from those in the US, whatever you plug in might be fried,' or something like that. Have people had success recharging their iPods, phones, freedom, etc. with these converters, or do I need a plan B? Thoughts, experiences, suggestions? Thanks for the beta.

Love, The President's formerly dog known as Plato

the number of times i've been to cvs with my friends to get plan b is a little repulsive.
